

Cable tray pulley auxiliary accessories

Overview

In addition to the covers, optional accessories in various materials and coatings are available to supplement the cable support system, e. gutter connectors, connecting plates, separating strips and protective rings. Catalogue for cable trays, mesh cable trays, cable ladders, wide-span systems. Cable trays are indispensable components in modern construction and industrial environments, providing a structured and efficient way to manage and support electrical cables. Save time and easily guide the wires, the screw allows for easy adjustment of the tray position and direction Axle Design: The axle rolls with the wire to prevent wear and tear. Find more 202216001, 200255142 and 100007498 products. Enjoy ✓Free Shipping Worldwide! ✓Limited Time Sale ✓Easy Return. For ease of installation and accessibility, lay cable and hose in trays instead of pulling it through conduit or raceway.
