

How much does fiber optic cable cost in Ireland

Overview

Fibre broadband can be slightly more expensive than other connection types, but it's becoming much more affordable. For example, introductory offers can start from around €35 per month for 1 Gbps full-fibre plans, while 100 Mb part-fibre deals start from about €30 per month for the. The answer is no; NBI is benchmarked against all wholesale broadband providers to ensure we're in line with their pricing. Will Fibre be More Expensive for Me Because I Live in a Remote Area?

Not necessarily – NBI charges all. Find superfast fibre optic broadband deals from Digiweb, eir, Pure Telecom, Sky, Virgin Media & Vodafone with our broadband checker. Deals are sorted by first-year cost (low to high). Switcher may feature a deal and display it in a higher position based on the deal's overall strength. How much does fibre broadband cost and how does it work?
