

Namibia SMC power distribution box enclosure

Overview

Our SMC distribution box is lightweight, weatherproof, and maintenance-free, ensuring easy installation and long-lasting service. Designed to protect electrical connections from dust, moisture, and external damage, it provides a secure and organized solution for electrical. We are a wholesaler and stockist of high-quality electrical equipment as well as for the supply and service of UPS and Generator Set equipment countrywide. Designed for reliability and innovation, our products simplify complexity—powering your world. Namibia Power Corporation (NamPower) is the national state-owned power utility that powers the socio-economic development of Namibia through the provision of bulk electricity supply to all sectors of the economy and its people. With offices in Windhoek and Walvis Bay, Megatron Engineering Namibia is geared towards providing services across Namibia, the SADC region. From 2015 we started manufacturing steel, stainless steel, galvanized kiosks, enclosures and distributions boards Golnix today supplies products all over South Africa, as well as to Namibia, Botswana, Tanzania, Kenya, Ghana and as far as Saint Helena Island.
