

Price of electrical distribution boxes in Dutch buildings

Overview

Replacing a consumer unit costs on average between €350 and €850 for a 1-phase distribution board and between €700 and €1,150 for a 3-phase consumer unit. These prices are including materials, labour, and 21% VAT. At SA Elektro Experts, we delve into the costs of converting to three-phase current, installing new circuits, replacing a distribution board, and the associated installation every day. You want to know if your home or business is ready for an induction cooktop or charging station. Rates depend on. Könnert & Söhne® Distribution Boards provide reliable connection for up to 7 groups of devices with a maximum current of 32A. Suitable for indoor and outdoor use. What is a distribution board?
