

Road fiber optic cable sign

Overview

Designed to alert workers to buried fiber optic or communication lines, this triangular marker delivers 360° visibility and rugged performance in all weather conditions. Add your own custom warning text, company name, and emergency contact information. Add Your Company Cable Route With Bidirectional Arrow Help prevent dig-ins with a Fiber Optic Warning Sign. A single dig-in can disrupt vital –and often life threatening communication services. They transmit information using light-based (optical) technology. Although these fibers don't contain electricity, they may still be a hazard as the glass. BURIED FIBER OPTIC CABLE MARKER – “Warning / Cable Route / Buried Fiber Optic Cable / Call 811 Before You Dig” clearly identifies a buried cable route and reminds anyone planning to dig to contact 811 first. DIRECTIONAL ROUTE ARROWS – “ROUTE” with double arrows at the bottom helps locators. Buried detectable & non-detectable warning tapes, high visibility reflective laminated labels & flexible line marker posts, soil markers, domed posts.
