

Waterproof distribution box cable outlet

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65-IP68 sealing against dust, rain, and UV. (3). Premium material: Our surface-mounted junction box is made of excellent ABS material with smooth edges, which is non-toxic, robust, corrosion-resistant, heat-resistant and equipped with a certain toughness and hardness, which extends the service life and is used repeatedly. Built with durable materials, CE & ROHS certified. Contact us for custom solutions! Check each product page for other buying options. Whether it's a bustling indoor setting or the unpredictable outdoors, these enclosures are meticulously designed to ensure optimal. Designed to meet NEMA and IP ratings, our waterproof junction boxes are ideal for outdoor use but versatile enough for indoor applications too. Choose from a variety of styles, including models with hinged covers, knockouts, wall-mount, or pole-mount options.
