

Zimbabwe Bridge T-junction

Overview

Trabablas Interchange is the a traffic grade-separated junction located at the intersection of Simon Mazorodze Road, Chitungwiza Road, and High Glen Road in Harare. It was official opened on 30 May 2025 by President Emmerson Mnangagwa. PRESIDENT Emmerson Mnangagwa has announced an ambitious expansion of Harare's road network that includes the construction of new multiple interchanges and deployment of smart traffic systems. It replaced the Mbudzi roundabout and was initially called the. After nearly three years of detours, delays, and logistical headaches for transporters and motorists alike, Zimbabwe has officially opened its first-ever multi-level highway interchange — the Trabablas Interchange, formerly known as the Mbudzi Roundabout. ^ "Birchenough Bridge". The project was designed not only to streamline local traffic in western Harare but also to serve as a vital link along the North-South Corridor that connects the Southern African Development. The Highway Code is a set of information, advice, guides and mandatory rules for all road users in Zimbabwe. Its objective is to promote road safety.
